Summary

I'm Bulelani Soga, an analytical Business Information Technology student known for achieving outstanding results. My academic journey began at Selpark Primary and continued at Springs Boys High School, where I excelled in diverse subjects, including Mathematics, Sciences, and Languages, graduating with a Bachelor's pass.

With a strong foundation in various disciplines, I'm currently aiming for a junior business analyst role, aspiring to grow into a senior business analyst or Solutions Architect position. Let's connect to explore potential opportunities.
